PreCalculus - Mr. Callahan

Materials Required:

Organization and being prepared for class is essential to your success. That is why these things are required.

- Notebook: You need a place to take notes and keep your homework. This must be in class every day. You also need to have blank paper in it.
- Calculator: Texas Instruments TI 83, TI 83+, TI 84, or TI 84+ graphing calculator. If you borrowed one from the school, be sure that you have YOURS.
- Textbook: The text will be used for homework and reference. You may leave it at home.
- Writing Implement: Always have a pencil with you when you come to math class.
Pen is acceptable, but pencil and eraser is encouraged to keep things neat.

Tests:

- Each test will be out of 100 points. You should expect 4 – 5 exams each quarter.
- Make up tests will only be given under extenuating circumstances such as illness.
- Students are responsible to make up any tests or quizzes that they miss. Students are also responsible for the making up any assignments and obtaining notes.
- A **mandatory** quarterly test at the end of each quarter is given. It counts and it may replace one test score.

Homework:

- Will be assigned on a daily basis.
- Collected and checked at my discretion.
- All questions must be answered. Students who are not able to complete a problem, he/she must write down the question. Answers without supporting work will not be accepted.
- Late homework is not accepted. If a student is absent, it is his/her responsibility to show your homework to the teacher
- If a substitute tells me you were uncooperative or you cut class, you will lose 5% from your homework grade.
